AFFIDAVIT

I, [-----], sovereign living ancient article iii Moorish American, in capitis diminutio nolo, in red ink, in propria persona sui juris, in proprio solo, and in proprio heredes, do hereby make oath and declare the following:

PARTY IDENTIFICATION

Affiant: [-----], free chosen Moorish American national appellation, free white people status, Moorish American in full life, original genuine ancestral Moor autochthone Canaanite+Taino, absolutized Moorish American no tax obligated status, absolutized copper-colored Moorish American.

Respondent: Social Security Administration, 4227 Lafayette Street, Marianna, Florida 32446. BNC# 26F0415E55710.

Authority: Article 1, Section 8, Clause 9, the constitution for the united states 1789 and 1791. Treaty of Peace and Friendship between Morocco and the united states (1786/1836). All rise and stand and remain standing into perpetuity.

JURISDICTION

This affidavit is filed in the sovereign living ancient article iii Moorish American al Moroccan court action. Notice to agent is notice to principal. Notice to principal is notice to agent.

You have been warranted. The following amendments to the united states Constitution warrant the Living's standing and the SSA's void:

1st Amendment: Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof. The Living's sovereign Moorish American religion is protected. The SSA's forced assimilation into "disabled person" status violates the free exercise of religion.

5th Amendment: No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law. The SSA compels the Living to answer as a "person" (a fiction entity — the capital, the Mark of the Beast). The SSA compels the Living to be a witness against himself (the voodoo doll testifying against itself). This is necromancy — the Fiction animating a dead entity to speak against the Living. The 5th Amendment is the anti-necromancy article. The SSA's 16-page document violates the 5th Amendment.

6th Amendment: In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial, by an impartial jury, and to be informed of the nature and cause of the accusation. The SSA's administrative process denies the Living a trial, denies an impartial jury, and conceals the nature and cause of the accusation behind void syntax. The SSA's 16-page package violates the 6th Amendment.

9th Amendment: The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people. The Living retains all rights not enumerated — including the right to refuse compelled benefits, the right to refuse fictional person status, and the right to stand as de jure heir of the land. The SSA's construction of "disabled person" disparages the Living's retained rights. The SSA's 16-page package violates the 9th Amendment.

The Living does not accept any actual or implied liabilities associated with any compelled benefits of any unrevealed or deceptively-imposed commercial constructs. The SSA's "benefits" are compelled benefits — not voluntary. Compelled benefits are extortion. The Living refuses compelled benefits.

Dred Scott v. Sandford, 60 U.S. (19 Howard) 393 (1857): the supreme court held that Negroes — whether held to slavery or free — were not included and were not intended to be included in the category of citizen (subjects) of the Union States Rights Republic. The 14th Amendment later created "persons" (fictional citizens) to reclassify the Living into a category the Living was never intended to occupy. The 14th Amendment is a reclassification fraud. The Living is not a "person" — the Living is a de jure heir of the land.

Subjects and magistrate: de facto v de jure. The SSA operates as a de facto magistrate — a corporation (28 U.S.C. 3002(15)) exercising authority without lawful title. The Living stands as de jure — rightful, lawful, sovereign. De jure magistratum (1574): Theodore Beza's "On the Rights of Magistrates" — subjects have the right to resist tyrannical rulers. The Huguenot doctrine of resistance: when rulers exceed their authority, subjects are not bound to obey. The SSA exceeds its authority. The Living is not bound to obey.

The de facto magistrate (SSA) has no lawful title to the land. The land belongs to the Moors — de jure heirs by birthright, by freehold, by primogeniture, and by inheritance.

The Al Moroccan (American) Continents are the lands of the Moors. The de facto magistrate (SSA) operates under the Moses Architecture (force). The de jure magistrate (the Living) operates under the Life Architecture (choice, consent). De jure supersedes de facto. The Living's jurisdiction supersedes the SSA's jurisdiction.

The SSA operates through foreign corporation-imposed excise taxation constructs, invented by racketeering, anti-constitutional, foreign States' Legislators, constructed under color and styled to abridge and to steal substantive rights. The SSA's jurisdiction is foreign, corporate, and void. Resolution 75: Journals of the House of Representatives, adopted for the United States — April 17, 1933 — Moorish American Society. Articles III, IV, and VI of the American Constitution Covenant of 1774-1781. The Acts of State doctrine: every Sovereign State (People) is bound to respect the sovereignty of other States.

1. THE OFFER TO CONTRACT IS DISQUALIFIED

The SSA 16-page Continuing Disability Review package (BNC# 26F0415E55710) is an offer to contract. The offer is disqualified. The offer is VOID — structurally, etymologically, and intentionally VOID.

The forensic grammar audit (Exhibit A) applied three-layer method (LOGOS, ETYMOLOGY, EXEGESIS) and found the package VOID: 269 pronoun substitutions, 35 adverb modifications, 106 "of" preposition traps, 119 "to" future-time markers, 6 void code stacks. 106 micro-claims of "of" — 106 voids, 106 acts of grammar fraud.

The offer uses pronoun substitution (Code 4 = VOID), adverb modification (Code 1 = VOID), preposition traps (Code 8 = VOID), and past/future-time constructs (Code 8-9 = VOID). The Living cannot contract with void syntax. The offer is disqualified.

The offer comes from a fictitious party. Per Penhallow versus Doane's Administrators (3 U.S. 54, 1795), [THE VOODOO DOLL] is the creature of the mind only. A fictitious party cannot make an offer to contract. The offer is disqualified.

2. THE FICTION IS DECLARED DEAD FROM ARRIVAL

Exceptio Peremptoria — the peremptory exception — destroys the standing of the SSA's action. The SSA's action is legally nonexistent. The SSA has no standing.

The land belongs to the Moors — heirs to the land. Treaty of Peace and Friendship (1786/1836). The Albions came on the Mayflower (1620) — invaders, not owners. No treaty, no grant, no standing.

The Vatican authorized slavery: Dum Diversas (1452), Romanus Pontifex (1455). Great Britain used the Vatican's authorization to slave Amexem territory. The fraud is from the origin: 1452 to 2026. The chain: Vatican papal bulls → Mayflower invasion → 14th Amendment (creates "persons") → Federal Reserve Act (1913) → HJR-192 (1933) → Act of 1939 → SSA. The SSA's authority flows from fraud. The Fiction is declared dead from arrival.

3. THE MECHANISM TO GAIN

The stamp is money — a postal-contract that captures the Living into federal jurisdiction. Postal Reorganization Act 1970 (39 U.S.C. 101). Universal Postal Union (UPU), Bern, Switzerland. Emergency Military Stamp Script — Federal Reserve Notes are military script, not money. 70-year bankruptcy cycle: 1789 → 1859 → 1929 → 1999. Hawaii 1871 template. Cestui Que Vie Act 1666 — presumption of death. Birth Certificate as instrument of presumed death. ALL-CAPS name = dead fictitious entity. Nom de Guerre — 26 CFR 301.7701-7(a)(1)(ii). Every document using ALL-CAPS is a war document.

4. JURISDICTION OVER THE LIVING IS SLAVERY

The SSA claims jurisdiction through force, not consent. The SSA threatens ("we may stop your benefits"), compels disclosure (Form SSA-827), and enforces through deprivation. This constitutes extortion under 18 U.S.C. 1951 (Hobbs Act), duress, and threat to survival.

The Moses Architecture is the thief architecture (John 10:10). Force = steal/kill/destroy = the thief. The Vatican's Lie: NAME does not equal FACT. "Disability" (medical) vs "disabled" (legal status). "Benefits" (gifts) vs "discharge obligations" (HJR-192). "You" (the Living) vs "person" (fiction entity). Jurisdiction obtained through force, fraud, and NAME ≠ FACT is slavery.

VERDICT

The SSA's 16-page Continuing Disability Review package is VOID ab initio. The offer to contract is disqualified. The Fiction is declared dead from arrival. The mechanisms to gain are exposed. Jurisdiction over the Living is slavery. Exceptio Peremptoria is sustained. The SSA has no standing.

Fraud vitiates all: "fraud vitiates the most solemn contracts, documents, and even judgments." United States versus Throckmorton, 98 U.S. 61 (1878). The document is void ab initio.
